1400 S.W. RIDGECREST LANE
LAKE OSWEGO, OREGON

March 30

Dear Julianne & Manuel —

It's easier
for me to send you the money for
your books as they are sold than to
wait until all are gone!

Many thanks
College bought one of each. This cost
\$14.50. Giving 1/2 of this to the Sister
City program, I'll send you 7.25
plus 1/2 the cost of a single copy
("Hijo...") equals 8.25 — to both
you, & to the Sister City committee.
Many thanks on the part of

the Sister City committee.

I have been unable to do anything about selling the others but I hope to before June.

Ten days ago Bill's Dad died, & the funeral service was last Wednesday. He was a real gem, but in a way, we are relieved for him that he's gone, his emphysema pressed so far.

See you

Sincerely,

Mary Lou T.
