Dear Mr. Rojas,

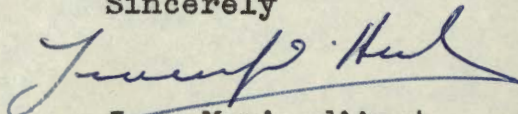

I have received your letter of the 15
of August and I also received the papers you sent
me from Mr. Robert Marchant.

I have already written in France to my cor-
respondant to see into the matter of Les Editions
du Seuil, I have also written to Prof. Zeitlin.
I gave by this same mail instructions to Mess. Gol-
Lancz to hold any monies owed to you included the
advance untill they would hear directly from me
or you.

I am trying to get the informations concer-
ning the sales of Born Guilty in the U.S. and unhap-
pily the book to my knowledge has passed unobserved
I am afraid. I did not see any reviews, at least
in the important papers and concerning the sales
I am trying to find out.

I will write you soon and I am,

Sincerely

Jean-Marie d'Amat
