Dear Mr. Rojas,

I confirm my letter wrote a month ago which to my surprise remained unanswered. I do hope that it reached you as I addressed it also to Zig-Zag to whom you can ask informations about me.

I have worked hard on your book and even if I did not close any deals I have a few reprint house interested in you and also some movie producers who are studying your book. It would be kind of you and ethical to let me know something as I would be rather embarrassed if I would have to say anything if the case would be. Your book is also in the hands of some of my correspondants abroad.

It is your interest to answer my letter because there would be a lot of work which would have been done for nothing and of which you could have some benefit.

I am,

Sincerely Yours

Jean-Marie d'Amat
