Dear Mr. Rojas:

I have your letter of June 25 reporting the suggestion of the Chilean Embassy. I shall be glad to write to Mr. Lawrence Wyatt of the Department of Health, Education and Welfare since it seems that this extra effort will make doubly sure that things will be arranged. Please let me know at once when a decision has been made in Spokane.

With all good wishes and kind regards,
I remain

Sincerely yours,

Chandler B. Beall
