Dear Mr. Rojas,

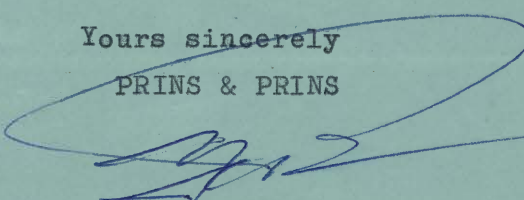

Publishers in Holland would be interested in considering for their house your work, which in Germany has been published with the title CHILENISCHE BEICHTE. Centro de Estudios de Literatura Chilena For this reason I should be very thankful if you would be so kind as to grant me option on the Sucesión Manuel Rojas Dutch translation rights in your work (if these rights are still free) and to let me have a reading copy of it in English or German.

I shall be very pleased to submit your work here for examination and I then hope to be able to place it in Holland.

Thanking you beforehand and looking forward to your answer I remain

Yours sincerely
