

A detailed wooden architectural model of a building complex. The model is constructed from light-colored wood and features a central courtyard with a blue pond. The buildings are arranged in a U-shape around the courtyard, with a prominent structure on the right side that has a series of rectangular openings. The model is set against a background of a light-colored, textured surface, possibly representing a landscape or sky. The text "PATRIMONIO UC" is overlaid on the model in a white, serif font, enclosed within a white, double-lined octagonal border.

PATRIMONIO UC
