

A black and white photograph showing a large-scale construction project. The image is dominated by a massive, vertical wooden column in the center, surrounded by a complex network of other wooden beams and scaffolding. The scene is dimly lit, with some highlights on the wood surfaces. Overlaid on the center of the image is a white, double-lined octagonal frame. Inside this frame, the text "PATRIMONIO UC" is written in a bold, serif, all-caps font. Two horizontal white lines are positioned above and below the text, also within the octagonal frame.

PATRIMONIO UC
