A black and white photograph of three people standing in a doorway. On the left, a woman with long dark hair is wearing a dark, double-breasted coat over a patterned blouse. She has her right hand raised to her face, partially covering her eyes. In the center, a man with dark hair is wearing a dark suit, a light-colored checkered shirt, and a dark tie. He is looking towards the camera with a neutral expression and is holding a small object, possibly a pen or a cigarette, in his right hand. On the right, another man is shown in profile, wearing a dark suit and a light-colored shirt with a tie. The background consists of dark wooden door frames. A large, white, octagonal watermark with the text "PATRIMONIO UC" is superimposed over the center of the image. The watermark has a double-line border and horizontal lines above and below the text.

**BUEN**

**ADIVINADOR**

Popularizó en Chile el vocablo "que-  
hacer". Su vaga terminología archi-  
tectónica llegó a los más altos estrados  
universitarios. Diestro político,  
mejor alcalde, buen arquitecto, sus  
críticos se preguntan por qué, además,  
tenía que ser rector.

**Solución al revés.**
