*JUAN PABLO IZQUIERDO*

PLAN. WRITE. REMEMBER.

# A Planning Notebook helps you to:

## PLAN.

A lot to **think** about. A lot to **remember**.  
 A lot of pieces to **fit together** and plan.  
 You need a **fast** and **simple** way to plan on the fly.  
 It's easier with **calendar** reference included.

## WRITE.

Writing **clarifies** your thoughts.  
 Random ideas begin to **solidify**.

**Action** takes order.

Priorities become more **clear**.

Writing isn't about words,  
 it's about what you **think**,

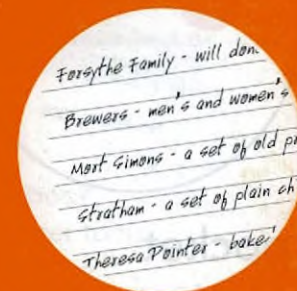

what you **hear**, what you **question**.

## PATRIMONIO UC

A **brilliant** idea, a **critical** task, the big meeting.  
 You need a spot for that **key information** to land.

Somewhere that is always there for you.

**HOT** reminder feature is the place.

## REMEMBER.

**Capture** ideas that can be fleeting in a **hectic** life.

Rely on your planning notes to keep you on track.

Look back at events and **recall** what was said

and the **ideas** from the moment,  
 after the moment is gone.

Your planning notebook  
 is an important **part of your life**.  
 It should live up to the responsibility:  
**useful, durable** and **attractive**.

It's not just paper, it's a **vehicle for your ideas and plans**,  
 it's a home for your work and roles you have in life.

# The clear advantage of planning notebooks.

## "HOT" reminder feature

You just had another brilliant idea. Your boss gave you a heads up about an important meeting. Put that sizzling important item someplace you are sure to see it later. That's what your HOT reminder is for.

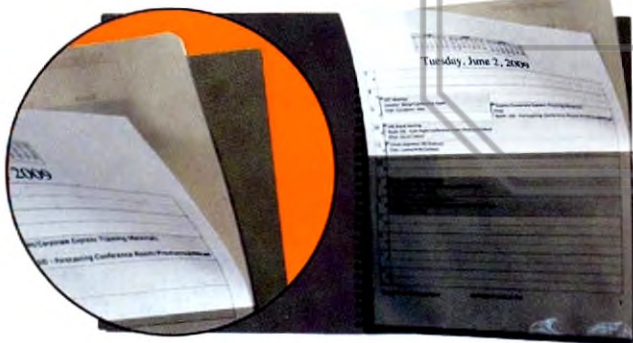

## Calendar reference

How many times are you taking notes in a meeting and trying to look up future dates, or count weeks ahead to plan projects? Finally, you found a notetaking product that also assists with planning by providing calendar information too.

## Clear pocket

Now you have a place to put your daily schedule when you print it in the morning. Also tuck in your company phone extension listing, or any other reference information you need with you during the day.

POCKET IS NOT INCLUDED IN ALL PRODUCTS.

## Bonus information pages

Not every note belongs with meeting or project notes. You need special places to capture long range plans, or jot down an important number or useful website address. Now you don't have to sort through your notes to find these juicy tidbits.

## Index

A way to log your notes so you can quickly find specific notes without paging through the whole book.

## Bungee closure or Pagemarker

- Bungee keeps the cover closed which protects pages from damage
- Pagemarker helps you locate your most recent notes quickly.

## Event Planning

A central place to capture dates for events and activities.

## Quick Reference

## Quick Reference

Jot down those key addresses or URL's or phone numbers.
