Dear Sr. Ermando,

Principal C. James has communicated to me your letter of 22 September which I have pleasure in answering.

This Department would like to receive the visit of Sra. Maria Flora Yanez in the Spring of 1947, and I personally think it would be an excellent thing if she could address our senior Spanish students and the Spanish Club of the University. Much interest is now taken in the development of Spanish studies and I should welcome this opportunity to foster such interest still further.

There is however the question of Sra Yanez's fees to be contemplated before anything can be arranged. The more so as I should have to request a special appropriation on my budget, as no provision has been made this year for visiting Lecturers. I would therefore be grateful to you if you could let me know the Lady's terms for a one day visit to Mc. Gill, including one address in the afternoon and one in the evening. This will give us a concrete basis for any further arrangement.

Yours faithfully,

*amiga Yanez
