New York, N. Y.

My dear Mrs. Echeverria:

Our chairman, Mr. Herman G. Brock, would like very much to have you take luncheon with him and possibly Mr. Wheeler, who is vice-chairman (also, the husband of Mrs. Wheeler, whom you met at my luncheon last Friday) and myself.

Will you let me know how long you expect to stay in New York City for I am planning on going to Washington next week and will not return until Monday, the fifteenth. The luncheon would therefore take place the week of the fifteenth.

They merely want to meet you and get your impressions. I will carry out my promise and show you Wall Street and "Frances Tavern" about which I told you.

Would you phone my office or drop me a line as to how long you are planning to remain here.

Looking forward to seeing you again, I am

Sincerely yours,
Ethel M. Palmer
