7th Feb. 51.

Dear Alice & Alejandro.

You will probably open this with both curiosity & surprise. This is the first time I've written to you although I received your charming letter so long ago.

I did a most unforgivable thing, I lost your letter & with it the address & now I've found it again, I hope the address on your envelope will help me find you & rectify the very long delay.

7. How are you both? Very well I hope -
I'm sure in Chile's delightful climate
it would be impossible to be anything
else. I am very well although we are,
at the moment enjoying our winter
February in 81 years!! - Quite a record!!

You ask of Diego. He left
England on the 17th June & I've heard
nothing since - I was more than a
little upset at the time, but fortunately,
I've always plenty to occupy my time
& consequently I soon "recovered".

However, I didn't recover from the
"Spanish influence" & last September I
passed my first holiday in Spain. It
had such a tremendous effect on me, I
was so very happy there that I'm returning

3.

for three months on March 24th. At the end
of that time, I hope to go to Pookungal
for a week & then back to London.

During the three months, I shall be
working with I.C.T. in Madrid so I am
hoping to improve my position ^{in the} for
returning to London. I'm glad I have
been very lucky indeed & only hope
I can justify this good fortune.

As Diego did not send you any
thing by Churchill, perhaps I can help.
I think I can get a copy of "The Gathering
Storm" & if you would like this I'll do
what I can. I'm afraid I won't be able
to get it before I go to Spain so it will
be more than a year since you were
first promised!!

4/ Incidentally, I'm trying to learn Spanish
so I hope that if & when I ever get to
Santiago - I'll be able to talk to you
pleasantly in your own tongue!.

Once again, please forgive me
for the long delay - I hope & I trust
you won't copy my example.

y ahora, creo que esto todo.
