Mr. Vicente Huidobro,
Chilean Consulate,

New York City.

Dear Mr. Huidobro:-

I am sorry that I was not in the office yesterday when you called, but I must acknowledge receipt of plans and report with regard to the Caylloma property.

We have gone into this matter very carefully and regret that we cannot see our way to go further in this proposition. Apparently the mine is not in a producing state and is therefore beyond the bounds of our business.

I am returning herewith the plans which you so kindly left yesterday.

Very truly yours,

Douglas E. Crank
