PATRIMONIO UC

Monsieur:

After having read your manuscript with unusual interest, I regret to say that we do not find it possible to make an offer for its publication. We feel that it would be extremely difficult to find a public for this type of novel in America, and we feel uncertain as to the effect your unusual style would have when rendered into English.

Thank you none the less sincerely for the privilege of considering your book.

Yours very truly

Marshall A. Best
