Dear Mr. President:

I want to express my thanks and appreciation to you for the kindness and courtesy extended to me and other members of the United States Delegation on the recent tour in connection with the conference of the Inter-American Municipal Organization.

The visit to Chile is one which I shall long remember. Your gracious hospitality contributed much to the success of our tour and I am sincerely grateful. The people of my city have been highly interested in my accounts of the trip and the reports of progress and beauty in Santiago.

It is my hope that the time will come when it will be possible for you to visit Georgia and the city of Athens. It would be a great pleasure to have you come to see us.

Sincerely yours,

*Jack R. Wells*
