Dear Don Francisco:

It is with great pleasure that I join Univision in congratulating you for 40 years of hard work and dedication as host of *Sabado Gigante*. For decades your program has been an icon in the Hispanic community where you have brought laughter and joy on a weekly basis to over 100 million people around the world. It is no wonder you are known as the "King of Spanish Television".

On behalf of all Floridians, I want to express my appreciation for your numerous contributions and for sharing with your worldwide audience the richness and diversity of the Hispanic culture. As a member of an elite group of role models in our community, you are a beacon of inspiration for our young people. This is a well-deserved recognition of your superior achievements and a distinction which will follow you throughout your life.

Again, congratulations and my best wishes on all of your future endeavors.

With kind regards,

Sincerely,

United States Senator
