Dear Don Francisco:

I would like to take this opportunity and congratulate you on your 40th anniversary celebration as the host of "Sabado Gigante." Forty successful years in any industry is an outstanding accomplishment, especially in show business. I know "Sabado Gigante" has been the longest running show on television with you as its host. I understand Univision will be celebrating "Sabado Gigante's" 40 years on television on November 7, 2002, at the Colonnade Hotel in Coral Gables.

On Saturday nights over 100 million people worldwide tune in to watch "Sabado Gigante," and with your recent star on the Hollywood Walk of Fame this summer, I can only say, Don Francisco, you truly are the "King of Spanish Television." I wish you continued success for many more years to come.

Sincerely,
